

Santa Pictures Ready December 18

Written by BRMS

Tuesday, December 18, 2012, 11:15 AM -

Santa arrived on 8th Street, SE, on Saturday, December 15 but temperatures were more like mid October- sunny and mild with no snow in the forecast for weeks.

While carolers from Hill Center sang holiday songs kids were on hand to greet Santa and tell him what they wanted for Christmas. Before and after visiting Santa kids played with the CSX electric toy train and sampled the goodies brought by the Elf from Ted's Bulletin.

All the Santa pictures taken by Miss Sarah will be uploaded to a secure website by close of business today... some are even there now. Use the code we distributed to parents on Saturday - there are some great shots for the family to enjoy.
