Community Meetings - Eastern Market METRO Plaza/Park

Sunday, 12/8 - 1:30PM - 3:30PM

Wednesday 12/11 - 7:00PM - 9:00PM

For the past three months, a design team, led by architect Amy Weinstein (Essocoff & Associates) and landscape architect Lisa Delplace (Oheme van Sweden) has been hard at work developing two alternative Master Plan concepts for all of the publicly owned land along Pennsylvania Avenue, SE, between 7th and 9th Streets, including the area around the Eastern Market METRO Station. The overall goal of the project is to renew and upgrade the public space in this two block area, both functionally and aesthetically.

At two public meetings in early December at the Hill Center (921 Pennsylvania Avenue, SE), the design team will present to the community its two alternative Master Plan concepts. The first meeting will be held on Sunday afternoon, December 8th from 1:30 p.m. to 3:30 p.m. in the Arts Room. The second meeting will be on Wednesday evening, December 11th from 7:00 p.m. to 9:00 p.m. in the Lincoln Room. The presentation and format of both the December 8th and December 11th sessions will be identical. After the design plans are presented, there will be breakout sessions to get feedback from the community. Both meetings are open to the entire Capitol Hill community and all are encouraged to attend one of the two meetings.

Subsequent to the December presentations, the drawings will be posted to the project website www.easternmarketmetropark.com - and comments can be submitted through the website until Friday, January 10th.
