This Thursday is Do More 24! Do More 24 is the local movement powered by United Way of the National Capital Area that provides a simple way to generate excitement and connects donors with the causes they care most about throughout the National Capital Community. Over 700 local Nonprofits are working together this year.

The goal is to inspire the entire DMV to come together for 24 hours to give as much as possible to support the work of public 501c3 nonprofits and raise awareness in the National Capital Community!

Below is a list of Barracks Row participants and partners:

[The Washington Humane Society/Washington Animal Rescue League](#)

[Capitol Hill Arts Workshop](#)

[Anacostia Watershed Society](#)

[People Animals Love](#)
